GET CONNECTED WITH THE PHILLIPSBURG RODEO

Rodeo tickets to be sold online beginning June 1

PHILLIPSBURG, KAN. (May 25, 2020) – For the first time, tickets for Kansas Biggest Rodeo will be sold online.

They will go on sale online on June 1 at 8 am on the rodeo’s website at KansasBiggestRodeo.com.

Rodeo tickets will also go on sale in person on July 1 at Heritage Insurance Group in Phillipsburg (685 Third Street). They will continue to be sold online, even as they are sold in person.

The addition of online ticket sales is for the convenience of the fans, said J.D. Shelton, president of the rodeo association. “You can do it from the ease of your home,” he said. “It’s handier for people, and there won’t be a need to wait in line.”

Online ticket purchasers will have the option to print their tickets at home. They also can be scanned on the purchaser’s phone, at the gate the night of the rodeo.

A convenience fee of \$1.25 and a credit card charge is applied to all tickets purchased by credit and debit card, whether they are purchased online or in person at Heritage Insurance Group in Phillipsburg.

This year’s rodeo will be held July 30-August 1 in Phillipsburg and begins at 8 pm each night. Ticket prices for reserved seating are \$19 for adults and \$15 for children. General admission tickets for Thursday, July 30 are \$16 for adults and \$12 for children. General admission tickets for Fri., July 31 and Sat., August 1 are \$17 for adults and \$13 for children. Children ages 3-12 can receive the discount children price.

Thursday, July 30 is Family Night at the rodeo, with all kids ages 10 and under receiving a free ticket with the purchase of an adult ticket.
